

Co-Queens to Reign at Finale Of 1965 NWMSC Homecoming

Homecoming Queen Dorothy Hardyman

Homecoming Queen Marlene Kelly

Drama Personnel Prepares for First Production of Year

On Wednesday, Nov. 3, the drama department's season premiere, "A Man for All Seasons," will rise on the drama department's stage.

Rehearsals are proceeding on schedule for the production, which will have a three-night run in the MSC auditorium.

The drama, under the direction of Dr. Ralph E. Fulsom, tells the story of Sir Thomas More, a judge under King Henry VIII, who was executed for not condoning the ruler's marriage to Anne Boleyn. It is a contemporaneous play as well as an historic chronicle.

Thomas More, portrayed by Dave Shestak, is a middle-aged figure whose intellect is "abundant and debonair." Marcia Hensleigh assumes the identity of his wife, Alice More, who worships society and her husband is troubled and defiant to both.

The Duke of Norfolk, played by Dan McLaughlin, is a great man of little intellectual importance but conceited enough to believe that his idea and action is important. Bob Sandmaier portrays Richard Rich, an unhappy, studious boy wishing to enter actively into the "world of affairs while trying to escape from himself."

Other characters are Cardinal Wolsey, Jim Poole; Thomas Cromwell, Thomas Peak; Signor Chapuys, Tom O'Connor; Chapuy's attendant, Jerry Grant; William Roper, Phil Reser; King Henry VIII, Henry Hansen; Crammer, Archbishop of Canterbury, Jerry Eisenhour; Lady Alice More, Vickie Green; the woman, Margaret Price; and the common man, Harold Webb.

Collegians Invited To 'Prophecy' Review

College people interested in modern fiction have been invited to hear Mrs. James Johnson, Maryville librarian, review "The Gift of Prophecy," by Ruth Montgomery, Tuesday evening.

Sponsored by the Maryville Branch of AAUW, the review will be given in the Grace Langan room of the Maryville Public Library. It will begin at 7:30 o'clock.

A social hour will be held after the review.

Northwest Missouri State College this year is privileged to have two outstanding Homecoming Queens.

Because election regulations were not adhered to, both candidates were declared to be co-rulers to reign throughout today's and Saturday's Homecoming festivities.

Miss Dorothy Hardyman and Miss Marlene Kelly were named co-queens last night at the Variety Show.

Miss Hardyman was sponsored by campus social sororities

and fraternities and is a member of the Alpha Sigma Alpha sorority and the Student Senate. Her campaign manager was Pat Meyer. Queen Dorothy was escorted by Ron Mitchell.

Initial festivities started Thursday night with the first presentation of the Variety Show and the coronation of the queen. The show will be presented again at 7:30 p. m. this evening, when the queen will be presented.

Miss Kelly was sponsored by

the Men's Residence Hall and the Men's Dormitory Council. She is a member of the Women's Dorm Council, Colhecon, and the Independent Student Organization. Her campaign manager was Bob Burrell. Queen Marlene was escorted by Bob Rempe.

Two junior attendants were little Tamma Everhart, daughter of Mr. and Mrs. Jesse Everhart, princess, and Rusty Graves, young son of Mr. and Mrs. Jim Graves, prince.

Night judging of the House Decorations will be done tonight and final evaluation made Saturday morning. Prejudging of floats will be at 8:30 a. m. Saturday morning on College Avenue, north of the DeLuce Fine Arts building.

At 9:45 a. m. the 179-unit parade will proceed east on College Ave. and West Fourth St. and turn onto Buchanan St. to West First St. Then, it will go east on West First to Main St. and north on Main St. to Seventh St., where the units will disband.

The Homecoming Queen will reign over the game between the Bearcats and the Rolla Miners Saturday afternoon. Preceding the 2 p. m. game, the massed bands participating in the parade, will play the "Star Spangled Banner." Following the game, several campus organizations are planning banquets and receptions for alumni and parents.

LA BOHEME AT TIVOLI

The Tivoli Theatre, Maryville, is cooperating in the nationwide showing of the La Scala production of Puccini's "La Boheme" Wednesday and Thursday.

The film of the actual performance of the opera will be shown each day at 3 p. m. and each evening at 8 p. m.

Key Leaders Provide Driver Training

One of six Driver Education Workshops in Missouri this month was conducted today at Northwest Missouri State College under the sponsorship of the State Department of Education, the Missouri Highway Patrol, and the Automobile Club of Missouri.

Keynote speaker was Dr. Arthur L. Mahony, associate in safety education with the National Commission on Safety Education, Washington, D. C. Robert Gregory,

MSC driver education instructor, directed local arrangements.

Main participants included, front row: Dr. Mahony; Clarence Gawer, driver education instructor, Owensville; B. W. McDaniel, Kansas City, retired, last year's driver education teacher of the year; back row: Homer Bolin, director of general supervision, State Department of Education; Ray Burneson, assistant safety director of Automobile Clubs of Missouri; Captain John Berglund, Highway Patrol; and Mr. Gregory.

College Debaters Earn High Honors

Gail Halliday, MSC forensic student, received an excellent rating and was a finalist in the oratory division of the Mid-Continent debate tournament at Rockhurst College, Kansas City, last weekend.

MSC students entered in senior-varsity debate were victorious over teams from Southern Illinois University, Carbondale, Ill.; University of Missouri, Columbia; Fort Scott Junior College, Fort Scott, Kas.; and Northeast Missouri State College, Kirksville. The debaters were Nick Erganian, St. Joseph, and Terry Lutz, Maryville, affirmative, and Vance Coleman, Oelwein, Ia., and Ron Walter, Adel, Ia., negative.

Linda Hornaday, MSC student from Kansas City, received a good rating in extemporaneous speaking. An excellent rating was awarded Jerry Eisenhour, Carrollton, in oral interpretation. Rachale Templeman, Atlantic, Ia., received a good rating in that division.

George Hinshaw and Jerry Winsor, MSC speech instructors, coached and sponsored the debaters. Mrs. Fred Dunn was in charge of the oral interpretation students.

Dr. James L. Lowe Heads Plans For Maryville UN Observation

Dr. James L. Lowe, chairman of the Maryville committee for the United Nations Day celebration, has announced plans for the coming UN Day celebration which is a part of the International Cooperation Year.

Sunday, the Maryville Garden Club will plant a tree in honor of United Nations Day. This tree has been purchased by the Kiwanis Club.

Monday, the Nodaway County Historical Society will present a program on the UN in the library at 7:30 p. m. MSC students and personnel are invited to attend. The program will include a film and a talk by Dr. Berndt Angman, political science professor at the college.

Tuesday, a reception for international students of MSC will be held in the Dream Kitchen of the St. Joseph Light and Power Co. On display will be items from various countries arranged by several local clubs and individuals, and shown.

On Halloween, Maryville youngsters will trick or treat for UNICEF, the United Nations Children's Fund. The money collected will be used to bring emergency relief to children in war-torn lands.

The United Nations, organized in 1945, is composed of 117

nations seeking "to maintain international peace and security, and . . . to take effective collective measures for the prevention and removal of threats to the peace . . ." They work together to build world understanding, to increase world food supplies, to promote good world health, to encourage international cooperation in outer space matters and to gain new member nations, Dr. Lowe stated.

Dr. Lowe has pointed out the 1965 has been designated as International Cooperation Year for the U. S., and the public has been asked to consider ways in which international cooperation can be improved.

Kappa Omicron Phi Gets New Pledges

Kappa Omicron Phi, national honorary home economics fraternity, has pledged seven new members.

The new pledges selected for membership on the basis of scholarship, personality, and leadership potential, are Sheila Schieber, Margaret Huelskamp, Linda Van Fossen, Joyce Linville, Joyce Riddell, Judy Clymens, and Sandra Mogg.

Qualifications for consideration for membership include a 3.0 grade point in home economics subjects, a major or minor in this field, and a 2.0 accumulative grade point status.

Notice to Flying Fans

Anyone interested in forming a flying club may contact Carl Baxter at the AKL house.

MAKING PRELIMINARY PLANS at the initial meeting of the first MSC Student Court are, sitting: Rosanne Bartlett, senator; Judy Miller, senator; DeAnn Bowers, vice president of the Association of Women Students; and Dr. Charles E. Koerble, dean

of students: standing: Travers Booth, vice president of the student body and chairman of the court; Bernard Veak Jr., senator; Bob Burrell, vice president of the Men's Dormitory Council, was absent when the picture was taken.

Area Musicians to Present String Orchestra Concert

The Inter-City String Orchestra, directed by Dr. Donald H. Sandford, Maryville, will present a concert at 8:15 p. m. Monday in the Charles Johnson Theater of the Olive De Luce Fine Arts Building.

Byron Mitchell, tenor, Northwest Missouri State College music instructor, will be the guest artist. The concert will be presented to the public at no charge.

Dr. Sandford started the group last summer for area musicians who enjoyed rehearsing together. Besides being musicians, members of the orchestra have various occupations. Included are house-

wives, businessmen, and teachers, as well as a photographer, a surgeon, a music critic, and the concertmaster of the St. Joseph Symphony.

The program will include: "Sinfonie No. 3 in C Major," Bach; "Serenade in E Minor, Op. 20," Elgar; "Four Hymns for Tenor, Viola, Obligato and Strings," R. Vaughan Williams, and "Concerto Grosse No. 1," Ernest Bloch.

Members of the orchestra are Louis Riemer, Patricia Andrews, Constance Blake, Jean Bolton, Wilma Case, Margaret Culton, Marjorie Deaton, Jesse Easterday, Iola Easterday, Anita Gram, Carol Green, Allen German, Richard Heinberg, Eleanor Jackson, Quinta Johnson, Sherry Kampschmidt, Margaret Kew, Carol Jean Laurent, Charlotte Lewis, Edwin McDonald, Lucille Neal, Paul Neal, Helen Oitte, Kas.

Attorney to Address Young Democrats Club

Frank Strong, city attorney, will be the featured speaker at the Young Democratic Club meeting at 7 p. m. Thursday in the Gold Room.

Mr. Strong, past commander of the Missouri Division of the American Legion, has worked for the FBI and served in the Judy Copeland - Whittaker Chambers case. Strong is active in state and local Democratic politics.

The public is invited to attend this meeting of the Young Democrats Club. Diane Brown is president of the organization.

Charles Oitte, Nadine Pidluk, Roberta Riemer, W. E. Robinson, St. Joseph; Elizabeth Connett, Gower; Louise Seaman, Tarkio; Mary Johnson, Sandford, Dr. Sandford, Rose Schneider, Ralph Yehle, Maryville; Lorraine Calnan, Tarkio; and Winifred Easterday and Janice Elliot, Atchison, Kas.

This Is the Year That Will Be

Letter for your school if you remember that you are the important publicity agent that MSC can have; if criticizing a coach's decision or a player's mistake is encouraging, boosting school spirit; if you work individual and as a team to raise the level of scholarship; if you can forsake independent and Greek alignments to use the best student government and royal courts.

Letter for your community if you stop to remember that aren't the only customers that the Maryville merchants have; if you do more than complain about the police or public officials, if you can put yourself in the place of citizens whose property you damage and even whose lives are endangered.

Letter for your littler sisters or nephews or other relatives if you set aside the toys more often and talk.

Letter for your company if you care as much about the quality of your work as you care about the size of your paycheck; if you throw out the agenda and bring in the work; if you get out of the rat race and do the work you really do.

Letter for the world if you realize that heredity, environment, appearance, and education are not passports to success; if you would have the same spirit of cooperation and understanding that brings out in people, if you turned some of your common sense into horsesense, if you know that a shot in the arm is worth a rolled-up sleeve.

Letter for a wavering stranger if you lend a hand.

Letter for you if you meet new friends, visit new places, read more books and books on new subjects, broaden your horizons; if you believe that if you do anything, you should do it right; if you help someone.

And much better for you if you have done these things by Homecoming 1966, when you can look back on a wonderful year and say, "This is the year that was!"

On Missouri Campuses

Central Missouri State, Warburg, and Northwest Missouri State College are following several similar paths. A 31 strong band, under the direction of Russel Cole, is wearing new converted uniforms to the gridiron. Also, a dance was started a drive to help the addition of a child wing to Chapel Hill, hospital.

is also beginning work on a new \$3,000,000 science building to be completed in 1966.

Northwest Missouri State—Enrollment at Springfield increased from 4,318 students last year to its present 5,367, which shows a 24.3 per cent increase.

Northwest Missouri State—volunteers at Cape Girardeau will spend two hours each week visiting patients at the State Hospital and giving them a contact with the outside world. The project is being sponsored by Dr. J. Scott of the Education and Psychology Department.

Shenandoah College—There will be 14 Burrall Community School girls this year, which will help in many ways. These projects include work with children at Fulton Deaf School, at the day School for the blind, and at the Fulton Hospital.

Missouri Campuses p.7

—At Kirksville—the stalwart Northeast State Bulldogs downed the Rolla Miners Friday, 14-0, in the NEMSC Homecoming game. A council on teacher education screens all students from the General Education to the College of Professional Education. On the dramatic side of life Denny Henger, 23, a junior, has a 40-pound ocelot (leopard) for a roommate along with human roommates in a small apartment.

The Board of Regents of state college at Cape Girardeau now has approved plans for a graduate program at SEMSC. The first courses will be offered next summer. Central Missouri State and Northeast State already have graduate programs. Cape Girardeau State has previously offered a graduate program through cooperation with the University of Missouri.

Coeds Are Invited For Intramural Play

Teams wishing to participate in women's intramural basketball must turn in entry forms by Wednesday to Dr. Kathryn Riddle, Bev Sheetz or Sue Wagers.

Entry forms may be obtained in Dr. Riddle's office. Practice will begin Oct. 25, with the first games the following week. Games will be played on Monday and Tuesday afternoons at 4 and 5 o'clock.

Homecoming Reverie . . .

Dr. John Harr Recalls Close Games, Competition, Homecoming Heartaches

During the 19 years he has been chairman of Homecoming at MSC, Dr. John Harr has accumulated a rich store of memories.

He related that he and Everett W. Brown, Director of Field Services, are the only members of the original committee remaining on campus to revise and try to improve Homecoming at MSC. The committee was responsible for changes initiated at the 1947 Homecoming, the first to feature a parade, variety show, and house decorations.

Only 10 or 11 area bands performed in the first parade, as compared to the 179 units scheduled for tomorrow morning's spectacular. The first variety show had only one performance, but, due to its evolving popularity as years went by, it is now presented two nights to capacity crowds.

In the history of MSC Homecoming many methods of choosing a queen have been employed. They range from the 1947 event, when each campus organization sponsored a candidate and judges selected the queen, to the holding of a primary and general election, and to the current regulations for entering a queen candidate for election by the student body.

The football game has always been the main event of Homecoming, Dr. Harr said. In 1947 the Bearcats posted a 7-0 victory over Springfield. Dr. Harr remembers the 1952 Homecoming game as the most exciting he has witnessed here. In that game MSC squeezed past the previously unbeaten Kirksville squad, 28-27. Homecoming game attendance has grown from 1947, when 2,000 was a big crowd, to a stadium filled with over 10,000 last year.

Biochemistry Course To Be Offered at MSC

As an expansion of its curriculum, the chemistry department will offer a course in biochemistry next fall.

This course will be conducted primarily for chemistry, biology, pre-medical, and pre-dental majors.

REFLECTING ON PAST homecomings at MSC, Dr. John Harr recalls experiences of the 19 years he has been chairman of Homecoming.

The annual dance following the game has consistently drawn good attendance. Invariably it has featured well-known bands and has been well attended by alumni.

"Homecoming has meant many headaches, irritations, and tremendous consumption of time. One of the compensations, however, is getting to work with other members of the faculty and students in a non-academic situation," Dr. Harr said in discussing his duties as chairman of Homecoming.

The long-time leader has witnessed a multitude of heartaches connected with the event but thinks that the competitive nature of Homecoming has facilitated student maturity.

"Many of the student leaders have really majored in Homecoming for the period before the event," chuckled Dr. Harr. "Much credit should go to the losers however," he added, "because never has any group been able to rest on its laurels."

Being chairman of Homecoming would appear to be a full-time job for anyone, but Dr. Harr still has found time in the past for serving as assistant football coach. He has

been a sponsor of Sigma Tau Gamma fraternity for 20 years, a sponsor since 1948 of Kappa Delta Pi honorary scholastic fraternity in education, and the efficient, alert-for-new-ideas chairman of the Division of Social Science.

Truly, Dr. Harr will never be content to "rest on his laurels," although he reports that this will be his last chairmanship of Homecoming.

Let's Get In Step

Baton-twirling Gloria Kath-culis will lead the strutting MSC musicians in the homecoming parade; Joe Spinello will swing his foot into the opening kickoff against the Rolla Miners; students and alumni will dance across the floor at the Homecoming dance.

Everyone will be putting his best foot forward. Keyed by intercollegiate competition, Bearcats and their coaching staff are practicing so they can do their best. Engaged in intrascholastic rivalry, campus organizations work on "the best float" and "the best house decorations." The best foot, however, is our own.

Alumni, parents, and area people will be in town for the festivities. Many people will be on campus. We can impress them with the beauty of our queen, the ingenuity of our floats, the abilities of our football team. We can also repulse them.

We can let a little boy stand at the front so he can see the parade, or we can shove our way to the front. We can look right at campus visitors and ignore them, or we can speak to them. We can indifferently answer their questions or ask them if they know about the new high rise dormitories.

We can be as friendly as we want. We can be heels. But if we put our best foot forward, we won't get stepped on. And someday the shoe will be on the other foot.

IN GERMANY Mr. and Mrs. James L. DeMarce studied as Fulbright honorees. They are completing work on their doctorates at Stanford University.

Fulbright Scholars Instruct Classes in Social Science

Mr. and Mrs. James L. DeMarce are new instructors in history and humanities classes at Northwest Missouri State.

Mrs. De Marce attended the University High School and the University of Missouri, Columbia. The year after she was graduated with a double major in history and German, she attended the University of Erlangen, Germany, on a Fulbright scholarship.

Mr. De Marce attended Spring Valley High School in Wisconsin and was graduated from Wisconsin State College, River Falls, where he had a double major in history and political science, and a minor in German.

Mr. and Mrs. De Marce met while they were attending the University of Erlangen as Ful-

bright scholars. After they returned to the United States, they attended Stanford University, where each received a master's degree in history. They are presently working on their doctorates at Stanford.

Professor Easterla Named To State Audubon Post

David A. Easterla, assistant professor of biology, has been elected vice president of the Missouri State Audubon Society.

For the past two years, Mr. Easterla has served on the board of trustees for the Missouri Chapter of Natural Conservancy. Eugene Schroeder, assistant professor of biology, and his wife also attended the

Marching Bearcats Perform for Mules

The Bearcats downed the Warrensburg Mules in a blare of pep and music provided by over 130 special fans — the MSC marching band and cheerleaders.

Host Warrensburg fans gave Director Ward Rounds' troupe a standing ovation as they marched through the mud, following a long bus ride. As one marcher quipped, "Boy, was it slushy! We could have used a life guard."

Five buses and a truck carried the 'Cats to the game. Their enthusiasm lasted through the meals and the program between the Kansas City Chiefs and the Buffalo Bills. Chaperones were Mrs. Richard Sellers, Mrs. Lloyd Moore, and Director Rounds, who found that the food and fun were the best antidotes for tired troops.

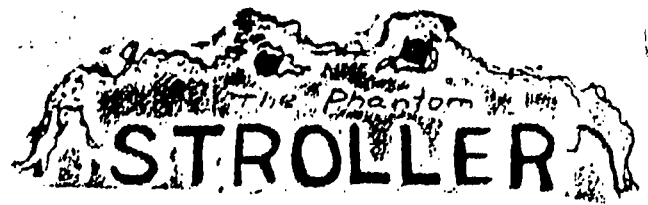

If one judges by the way the band and team performed, it appears that President Robert P. Foster is well on the way to achieving his desire for "the best teams and the best musical groups, along with the best plays and the best of everything worthwhile for MSC."

Chime Time

Wedding Bells Have Rung

Carol Wallace, Hopkins, and Darwin Bears, Skidmore, were married Aug. 28, at Hopkins Christian Church in a candlelight ceremony. Both Mr. and Mrs. Bears are seniors at MSC, where he is majoring in social science, and she, in elementary education. He is Union Board chairman. Bells Will Ring

Dr. and Mrs. Howard George, Maryville, announce the engagement of their daughter, Carolyn Jane, to Donald Bachman, son of Mr. and Mrs. Clayton Bachman, Council Bluffs, Iowa. Both are students at MSC. A January wedding is being planned.

... of the campus groups over having a princess at MSC is shared by the Stroller. To a long list of previous honors, Ann Shamberger has added the title of American Royal princess.

No wonder the Tri Sigs are proud of their president and the Phi Sigs beam over honoring her first as the winning 1964 "National Sweetheart of Phi Sigma Epsilon Fraternity." Since he has not been able to get a date with the dean's honor student, the Stroller is contemplating going back to high school and enrolling in her English class when she starts her practice teaching next semester.

While rushing to the library, an MSC English instructor collided with the metal bar between the doors in Colden Hall. Then he turned to collide again with the bar in the outer door while trying to say hello to two former students, who insist that he looks and acts like comedian Peter Sellers.

MSC bus drivers are thinking of taking out a "retirement" policy after the bus to Warrensburg had a flat tire Saturday five miles out of Maryville.

As the first snowfall draws nearer, there is an ever-increasing rush for freshmen to be kissed on the Bridge and so carry on the tradition of the school.

The Tradition: You are not

considered a coed unless you are kissed on the Bridge before the first fall.

Come on, freshmen: You may only have a few left.

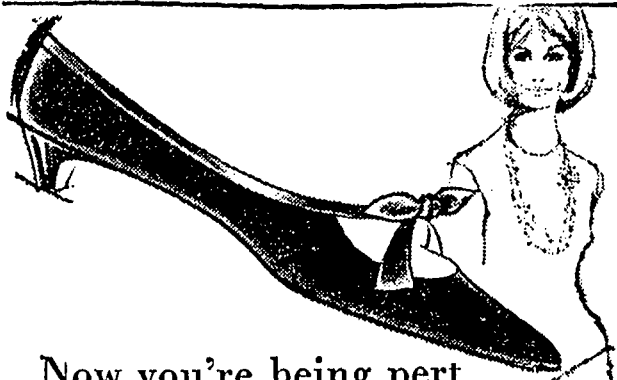

SNEA Considers Future Projects

Pledging, attending the Teachers' meeting, and the coming plans were topics considered at the recent meeting of the John Dewey chapter SNEA.

John Fuhrman, Field Service office, guest speaker, gave speech, "They Are Waiting for Us." A film, "And God Teach," was shown. President Mary Mast presided at business session and program.

At the recent District Teachers' Meeting, members SNEA held a reception for attending teachers and administrators. At the business session the following officers were elected for FTA-SNEA: Richards, NWMSC chairman; Jo Fender, NWMSC vice chairman; Jean Robertson, ALA FTA, secretary. Delegates from NWMSC, Maryville High School, Albany, and Stambaugh attended.

The next meeting of SNEA will be at 7 p. m. Wednesday in the Union. Pledging will be featured, and a program of student activities.

MSC Campus Ministers, Organizations Provide Spiritual Guidance for Students

Several campus religious groups attend to the spiritual needs of MSC students. Two of these groups recently obtained new ministers.

The Rev. Rex H. Henderson, the newest religious leader on campus, is the director for the Baptist Student Union, a group of approximately 400 Baptist and Baptist preference students.

Mr. Henderson received his BA from Mississippi College at Clinton, and his BD and MRE from the New Orleans Baptist Theological Seminary. He is married and the father of three children. He has been a pastor for 27 years, but this is his first experience in working with college students.

BSC sponsors one prayer breakfast a week at 7 a. m. on Tuesdays and Bible study at 7 p. m. each Wednesday. Officers for the group are Merlyn Rees, president; Willis A. Madison, vice president, and Margery Baker, secretary.

Mr. Henderson succeeded the Rev. Donald Evans.

Also, the Rev. John Biesmeier is director of the United Campus Christian Fellowship, an organization of members of the Christian, Presbyterian, Church of Christ, and Evangelical churches. He started his work here this fall.

Mr. Biesmeier received his BS in mechanical engineering from the University of Texas and his BD from TCU and Bright Divinity School. Mr. Biesmeier is married and had not worked with college stu-

NEW MINISTERS on campus, the Rev. Rex H. Henderson and the Rev. John Biesmeier, examine a recent copy of the Northwest Missourian to get more background information for their work with students.

dents prior to this assignment.

UCCF sponsors a regular Sunday evening program at 5:15 p. m. with a free snack supper in Fellowship Hall at the Christian Church. Officers for the group are Averill West, president; Ken Keith, vice president; Sandra Slater, secretary, and Marty Geyer, treasurer.

Work of other local ministers on campus will be discussed in a forthcoming Missourian.

Educators Plan Orientation Unit On Junior High

To help orient freshmen and sophomore students in the possibilities and prospects of junior high school teaching, a new program is being developed on campus.

Organized by Dr. Milan Dady, supervisor of directed student teaching, and Mrs. Raymond Arthur of the Horace Mann Laboratory School faculty, the program will be held at 4 p. m., Nov. 17, in the Horace Mann auditorium.

Appearing on the program panel will be Mrs. Audrey Sigrist, Savannah Junior High School principal, who will discuss the junior high school from the administrative view; Dr. B. Richard Quinn, NWMSC education department, who will discuss the psychology of the young adolescent; Donald Hefner, laboratory staff; and Mrs. Arthur, who will talk on teaching aspects of the junior high school.

Everett W. Brown, college field service director, will inform the students as to employment possibilities at the junior high level.

Need for such a program evolves from the absence of formal certification programs for junior high teachers in most states, Dr. Dady stated that he also has noted that no mention is made of junior high teaching in the college catalog but that many open-

Decorators Needed

The chairmen of the decoration committee have asked any students wanting to help decorate for the Homecoming dance to report to Lamkin Gymnasium this afternoon.

Other organizations and committees would appreciate any available help from the students with free time in completing their Homecoming projects.

Peace Corps Team Coming to Campus

Hugh Parmer, director of the Peace Corps in the plains region, has announced that on Oct. 24-30 a Peace Corps team will visit Northwest Missouri State College.

This year the team will be composed of a staff member from Washington, D. C., and recently returned Peace Corps volunteers. While on campus, they will show students the wide area of opportunities for service in the Peace Corps.

An advance liaison man will arrive on Oct. 17 to make arrangements for the team's visit.

ings annually exist for junior high school teachers.

Dr. Dady, moderator for the program, will outline suggested courses from the existing NWMSC curriculum which would prepare students for junior high school teaching.

Eddie Smith Chosen Intramural President

Eddie Smith of Delta Sigma Phi has been elected the new president of the intramural commission. Dean Willret of Tau Kappa Epsilon was elected secretary-recorder.

Arlo Kent Babcock, student director, says that so far the intramural flag football first introduced this year has proven a success and that a large number of men on campus are participating. The games are played on the practice field west of the Armory between 6:30 and 8:30, Monday through Thursday. Student referees are used in all games.

DEMONSTRATION OF THE OPERATION of a motion picture projector is given by Carita Culmer, laboratory assistant, for Judy

Cavan and Ed Roberts, students in an audio-visual class. Luke Boone, director of the Instructional Materials Bureau, supervises the class.

MSC Instructional Materials Bureau Provides Aids for Campus, Area Classes

The Instructional Materials Bureau can and does render many varied services to every student and faculty member on the MSC campus.

The IMB furnishes various classes and groups on and off campus with audio-visual instructional materials and program assistance. Most students and faculty members are familiar with some of the audio-visual materials. Films, filmstrips, recordings, charts, slides, flat pictures, and others are available for anyone wishing to use them.

Director Luke Boone pointed out that the audio-visual department, as well as other areas in the IMB, is in the process of being expanded. For example, it is hoped that the number of instructional films both in 16 millimeter and 8 millimeter continuous loop will be greatly increased.

Miss Weigand Chosen District MATE Leader

Miss Dorothy Weigand, English instructor at Northwest Missouri State College, was elected chairman of the Northwest Missouri District Association of Teachers of English at the October meeting.

The vice chairman is Miss Ellen Berry, Oak Park High School, North Kansas City. Mrs. Sharon Shipley, Eastgate Junior High, Kansas City, was elected secretary. Dale Midland, MSC English instructor, is the retiring chairman.

Another IMB department is the curriculum laboratory. This is mainly for students and faculty who are working in methods courses. It includes textbooks, workbooks, teaching manuals, pamphlets, and other curricular materials such as resource material.

About 3,000 sample textbooks are in the curriculum laboratory now. Teachers in the Northwest Missouri area and those on campus can analyze these texts to become familiar with new material presented.

A production department is being organized. It will include actual production of visual materials such as transparencies, charts, and posters. Plans for photographic service for taking and developing still and motion pictures are being considered. Audio services consist of taping lectures and various sound activities. Senator McGee's speech was recorded at the recent NWM Teachers' meeting. Other campus serv-

ices rendered by IMB include consultation with students and faculty and previews of films.

At present, laboratory sessions are held for the students in audio-visual classes to learn how to operate equipment as in the accompanying picture. Mr. Boone stated that it is his plan to have such instructional lab sessions in the near future for anyone interested.

Off-campus services are also provided. These include renting projection materials and giving or aiding in various programs. Extension and Saturday classes are also held in the audio-visual area.

IMB headquarters consists of 10 rooms on the first floor of Wells Library. It may be reached by turning left and following the sign upon entrance through the front doors.

Anyone who is interested in materials and services provided by IMB is invited by Mr. Boone to stop in to find out for himself about the program.

Faculty Members, Alumni Elected to Association Posts

MSC faculty and alumni made the headlines recently at the 48th annual meeting of the Northwest Missouri Teachers Association.

Edward Daniels, '41, North Kansas City elementary principal, was elected president of the association. For the 20th year, Everett W. Brown was re-elected secretary-treasurer of the group by acclamation. Mrs. Zelma Akcs, '49, MSC, was elected president of the Northwest Missouri District of Classroom Teachers.

Other officers elected by the Teachers Association were alumni Mrs. Marian Goforth, '60, Stanberry, first vice president; Donald Petry, '62, Rock Port, second vice president; and Ed Geyer, '38, Trenton, executive committee member.

Faculty members Dr. and Mrs. Donald Sandford participated with area musicians Thursday in the first program to be presented in the new Olive DeLuce fine arts building. The program consisted of chamber music.

Three MSC graduates were chosen to head the publications advisers. They are Richard Wiederholt, Mount Averno, '63, president; Mr. W. R. Jackson, '65, Saratoga, vice president; and Kenneth Dowden, '57, Nodawa, Holt R-VII, secretary-treasurer.

Names of other departmental leaders, not available at press time, will be announced in a later Missourian.

Foreign, State Posts Available for Students

The U. S. Department of State is seeking secretaries and communications and records clerks to staff positions in Washington, D. C., and at 300 Foreign Service posts throughout the world.

Mrs. Lillian Berton, State Department Recruiting Officer, will be in Kansas City from 9 a. m. to 4 p. m. Oct. 13-19 to interview qualified young men and women who are interested in a government position.

Mrs. Berton invites those interested to contact her at the Missouri State Employment Service office at 1411 Walnut Street, Kansas City.

Students May Use Union Rose Room

Students are encouraged to make use of the student lounge or Rose Room in the upstairs of the Union Building.

This area is available to all students for study and for recreation. Magazines provided there are not to be taken from the lounge. There is a piano which may be played.

Those who use this facility should follow the rules posted at both ends of the Rose Room. The hours for the lounge are the same as those for the Den with the exception of Sunday evenings.

New Club Uncovers Bones, Rocks of Note At Area Dam Site

On the search for artifacts of the area, members of the new Anthropology Club, formed Sept. 30, visited a dam site five miles north of Maryville where they found a few significant rocks and evidences of bones.

The club plans to take field trips and have movies and lectures at their meetings. Future plans include a trip to an Indian site in Rulo, Neb.

Officers elected are Jim Lawler, president; Linda Turner, secretary, and Bob Stewart, treasurer. Faculty advisors are Dr. James L. Lowe and Robert D. Nagle.

The club will meet at 4 p. m. on every second and fourth Thursday in Room 314 in Colden Hall. The next meeting will be Oct. 28. Those interested are invited to attend.

Mrs. Foster Talks At Student Wives Tea

Mrs. Robert P. Foster, wife of the NWMSC president, gave a welcome address at the recent Student Wives Get-Acquainted Tea.

Mrs. Lanny Green, president of the organization, also spoke to the group. Gifts were presented to past sponsors of the organization, Mrs. George Gayler and Mrs. James Middleton.

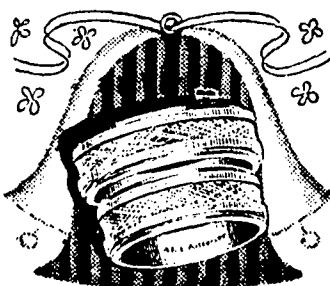

Mrs. Roger Bell was in charge of the tea. Mrs. Warren Mitchell presided at the guest book, and Mrs. Frank Teale and Mrs. Ed Schultz served as hostesses. Organization officers greeted the guests.

Next regular meeting of the organization will be at 7:30 p. m. Nov. 2 on the second floor of the Union Building.

Library Open Daily

Wells Library is open for all students and faculty at the following hours:
8 a. m.—10 p. m. Monday - Friday.
9 a. m.—5 p. m. Saturday.
2 p. m.—6 p. m. Sunday.

Physical Fitness Examinations Reveal Horace Mann Students' Endurance

Leaders in the fifth and sixth grade and seventh and eighth grade physical fitness program of the Horace Mann Laboratory School have been announced by Fred J. Reeves instructor.

Boys who set records for the fifth and sixth grade are: pull-ups, Terry Miller, Jimmy Pierce, Richard Wilson, each eight; sit-ups, Terry Miller, 400; shuttle run, Jim Milbank, Mark Robbins, 10.0 sec.; standing broad jump, David Beuerman, 6'0"; softball throw, Drew Thate, 152'; 600-yard run, Dennis Gard, 2 min. 22 sec.; 50-yard dash, Terry Allen, Brian Koerble, Tom Mutz, Mark Robbins, 7.5 sec.

Boys who achieved records for the seventh and eighth grade are: pull-ups, Greg Pierpoint, ten; sit-ups, Kemp Foster, 340; shuttle run, Greg Pierpoint, 9.5 sec.; standing broad jump, Greg Pierpoint, 6'9"; softball throw, Mark Kieser, 152'; 600-yard run, Jim Saylor, 2 min. 3 sec.; 50-yard dash, Greg Pierpoint, 7.1 sec.

The aim of the physical fitness program is to develop each individual physically, socially, mentally, and emotionally to his fullest capacity through vigorous, big muscle activities which emphasize play interests, carry-over value, and the physical fitness.

The students learn skills of different games and activities as well as how to get along with others. They also learn good health habits.

Activities supervised by student teachers Kent Babcock and Charles Nurek include touch football, swimming, and basketball the first semester. Second semester units will include volleyball, tumbling, wrestling, track and field, and baseball.

The activity classes are held on Tuesday and Thursday. Classroom health instruction is given on Monday and Wednesday. Each Friday the students have co-educational activities and rhythms.

Single Exam Hour Set For Social Science 2

Co-ordinators of the Social Science Department courses have announced that all nine sections of Social Science will be given the equivalent of a mid-semester examination at 7 p. m. Nov. 8.

Rooms where the tests will be given will be announced by the individual instructors. If any student cannot take this test at the announced time, he should see his instructor.

JOY IN WORK keynotes the successful picture-shooting preliminaries for Tower staff leaders Wava Tackett, editor, and her assistants, Nancy Boyd and Roger Ambrosier, shown at a group picture-taking hour last week.

Yearbook Editor Discloses Progress on College Tower

Wava Tackett, 1966 Tower editor, reports that the yearbook is progressing well because of the fine cooperation of the student body.

The staff has been working since March laying groundwork and making plans. They are now finishing plans for the entire layout and will soon start drawing up the pages.

Members of the staff include Miss Tackett, editor; Roger

Ambrosier, art editor; Nancy Boyd, Cathy Baumli, Mary Jane Knepper, Kris Johnston, Kathy Riddle, Mary Potter, and Russ Canon. The advisor is Howard Ringold, and literary advisor is Dr. Frank Grube.

All individual pictures have been taken, and most of the major organizations have been photographed.

The staff is pleased with the response of both students and faculty sponsors in getting pictures taken.

Michael Combs Heads Tower Singing Group

Michael Combs has been elected president of the 65-member Tower Choir, which is directed by Gilbert Whitney.

Other officers chosen are Steve Konecne, vice president; Jo Bauman, secretary, and Carol Jenkins, librarian.

In discussing the group and its work, Director Whitney said they are working hard to prepare for their first presentation, a Thanksgiving program. He described the choir as a "well balanced group of singers."

Rolla Miners to Challenge Bearcats at Homecoming

The Northwest Missouri Bearcats will highlight the Homecoming activities Saturday as they try for their second straight MIAA conference victory against the University of Missouri at Rolla.

Last Saturday Maryville put together a brilliant offensive and defensive attack to defeat the Warrensburg Mules, 28-7.

Although the Rolla Miners are still rebuilding, they have proved that they can be tough as they have a 2-3 season's record so far this year.

Last Saturday Rolla held a talented Kirksville squad to only two touchdowns in the Bulldogs' Homecoming event.

Outstanding among the 20 Miners returnees this season are halfback George Gasparovic, quarterback Ronnie Lewis, Fix, and guard Garry January. Last year Maryville defeated Rolla, 41-19.

Bearcat tackle Ed Byron is

Freshmen Defeat Warrensburg, 18-7

The Northwest Missouri Freshmen football squad came back strong in the last quarter to defeat the Warrensburg freshman, 18-7, Monday night on Rickenbrode Field.

A first quarter touchdown by Jim Johnson gave Maryville the lead until the third quarter when Warrensburg hit paydirt. Last quarter touchdowns by Orlowski and quarterback Mike Holmes put the 'Cats in the lead to stay.

Notable defensive performance were turned in by Mike Burke, Duane Hohensee, and Francis Schwenk. Freshman Coach Lewis Dyche also stated that the running of Mike Hughes and Larry Childs was a factor in the game.

still out with an injured knee and his chances of starting are doubtful.

In last Saturday's game Maryville started its MIAA title drive by downing Warrensburg. The Bearcats dominated play throughout the game as they rolled up 252 yards rushing. The offensive line, led by Bob Rempe and Paul Meyer, threw many key blocks to give the backs running room.

Sam Ratcliffe, taking over the quarterback duties for ailing Leo Papas,

Lettermen, Recruits Report for Basketball

Coach Dick Buckridge started basketball practice Oct. 15 with six returning lettermen and several other talented prospects.

Joe Pierce, Dave Remund, Bill Yeager, Mike Simon, Bob Tonnies, Bob Marek and promising junior college transfer student, Al Van Dyke, are working to better last season's record. Other squad men from last year's team are Ron Howitt and John Gough.

Freshman prospects that have shown potential are Bill Vollmuth, Mike Hoferlin, Phil Underwood, Stan Carlson, Roger Nelson, Perry Courtney, Bruce Blakely, and Denny Hackett.

Fundamental drills, seasonal conditioning, a few night practices, and some offensive patterns have constituted the first week of practice.

DRY CLEAN eight pounds of clothing for only \$2 at the Gleason and Womack Laundromat in Revenwood just 11 miles east of Maryville on Highway 136. "You bring the clothing and we'll do the work." dromat in Ravenwood just 11

scored the first Bearcat touchdown in the first period with a one-yard sneak. Maryville scored twice in the second and third periods on plunges by Jim Blankenship.

Maryville hit paydirt for the fourth time when Mike Crank climaxed a 52-yard drive as he crashed over from the two.

Blankenship took honors as the 'Cats' top ground gainer as he picked up 78 yards in 14 carries. Mick Thompson added 69 yards.

Bearcats Stand High in Ranks Of MIAA Stars

Heading into its second conference and its big Homecoming game Saturday, the Bearcats will be led by several players rating high in the MIAA individual performance standings for the first four games.

Leo Papas, the Bearcats' quarterback, is rated second to Kirksville's Gerzynski in passing accuracy. He has completed 41 of 77 attempts for a 53.25 per cent completion record.

On the other end of Papas' passing game is the league's run-away leader in pass receptions, Bob Albanese, who has rolled up 377 yards on 25 catches for the 'Cats.

Willis Tatem has boomed 17 punts for a 42.7 yard average to rank second in punting. Joe Spinello is fourth in the conference in punt returning with an 8.8 yard average on nine returns.

In the rushing department, Jim Blankenship ranks sixth with 60 carries for 317 yards and a 5.0 average per carry. Mike Peterson is ninth with 218 yards on 53 carries and a 4.1 average.

Peterson and Mike Crank are tied for fifth in scoring. The two have three touchdowns, or 18 points each.

Bearcat of the Week

Repeating as offensive lineman of the week, Leon Muff scored a two-point PAT against the Warrensburg Mules on a pass play from Leo Papas. Muff has caught seven passes for 97 yards, including one touchdown.

Chosen as offensive back in both the Warrensburg and William Jewell games, Jim Blank-

Dick Heinen

Jim Blankenship

les, plus six assists, but is equally adept offensively. Although Heinen has only average speed, Coach Ivan Schottel says he compensates for it by being one of the team's best blockers. The 6-1, 220-pounder has the distinction of being the only lineman to return a kick off. He has returned two for a total of 13 yards.

Jerry Albin

Jerry Albin, top defensive back in the Warrensburg and Peru games, has made six tackles and nine assists. The 6-0, 180-pound junior from Independence, Mo., has turned in consistently outstanding performances in the Maryville backfield.
